BREAKING HABITS.

That great scientist of California, Luther Burbank, takes a tree that has been going to the bad for some reason or other for hundreds of years, and at last has become altogether ugly and noxious and by the shock of a new creation he breaks up all its old habits, turns its energies into new channels, and makes of it a lovely and fruitful thing. And if your magician can work that miracle, and break up the habits of a tree, and make of it a new thing, beautiful and fruitful, why should it be thought a thing incredible that God can break a man off from his past, and recreate him in the image of righteousness and true holiness?—W. L. Watkinson, D. D.
